Safety Instructions:

- Beware of choking hazard due to small parts coming off. Not suitable for children under 3 years of age.
- Do not use the product near water-polluting substances or sources of fire. It is recommended to keep away from heat sources and open flames.
- Ensure that the substrate is clean, dry and free of residue to ensure optimum adhesion. Use only on even and clean surfaces. Do not use on improper or uneven surfaces.
- Avoid contact with strong chemical materials, as these can impair the adhesive strength. Avoid strong chemical cleaning solutions.
- Store in a cool, dry place and do not expose to direct sunlight to avoid discolouration or overheating.
- Do not use the product in heavily loaded or safety-critical areas without suitable preparations.
- When using the tape, ensure that it is not pulled over sharp edges or points to avoid damage.
- Make sure that the surface is clean and dry before applying the tape. The adhesive strength may be impaired at temperatures below 10°C.
- If used incorrectly, there is a risk that the adhesive tape will not adhere or will peel off and that the product will wear prematurely or peel off.
- Avoid direct sunlight to prevent possible discolouration or deformation.
- Keep the product away from children, as the geometry and colour may attract them.
- The condition of the belt should be checked regularly to ensure safe use.
- Take care when laying on smooth surfaces to avoid the risk of falling or slipping.
- To avoid damage, follow the installation instructions.
