Safety Instructions:

- Make sure that the tape is applied to a clean and dry surface to ensure optimum adhesion.
- Avoid contact with water, water vapour or very humid environments during application so as not to impair the adhesive strength.
- Caution: Product not suitable for children under 3 years of age as small parts may pose a choking hazard. Keep out of the reach of children.
- Keep the product away from open flames, hot surfaces and direct sunlight to prevent premature ageing.
- Only use on dry, clean surfaces. Poor adhesion can lead to tripping or slipping hazards.
- The strap may tear or come loose if subjected to heavy loads, improper use or direct contact with sharp objects.
- Ensure that the surface is clean and free of dirt, grease or other contaminants before application.
- Store the product in a cool, dry place to ensure its long-term shelf life.
- Use suitable personal protective equipment when applying the tape to avoid skin and eye irritation. Avoid direct contact with the skin; if contact occurs, clean thoroughly with soap and water.
- Not suitable for temperatures above 60°C. The product is not suitable for use in areas with extreme temperatures or chemical influences.
- Caution: Risk of slipping due to smooth surface if used incorrectly.
- Vapours can be harmful to health, use in a well-ventilated area.
- For use on the road, pay attention to traffic. Do not use on waxed or oily surfaces.
