

Product Safety Information

Box wagon type KW-ET 400

Please note the technical data of the products!

Article Numbers: 73160, 73151, 128772

Safety Instructions:

- Only use for the intended purpose.
- Do not exceed the maximum load/carrying capacity of 300 kg.
- Designed for the transport of bulk goods, not suitable for other uses.
- Please take safety precautions when working with heavy and large materials.
- Keep away from children and do not allow children to use the appliance to avoid the risk of injury.
- Read and observe the safety instructions.
- Use only on level surfaces and with suitable means of transport (e.g. forklift truck).
- Wear suitable protective equipment for safe handling of the product.
- If the product is damaged, contact the manufacturer immediately.
- Ensure that the vehicle is only used on level ground to prevent it from tipping over.
- Avoid overloading the box trolley beyond the maximum load capacity of 300 kg.
- Always use the entry pockets for forklift trucks to ensure safe handling.
- Do not push the van at too high a speed to avoid injury or damage.
- Check the functions of the spring tilt lock regularly to ensure that it is working properly.
