

# Product Safety Information

## Tipping container type BK 100

Please note the technical data of the products!

**Article Numbers:** 73344, 73343, 73342, 73341, 73017, 73010

### Safety Instructions:

- Observe the maximum load capacity of 2000 kg and never overload the container.
- Handle tipping containers carefully to avoid serious injury or damage to property.
- Read the operating instructions and safety instructions carefully before use.
- Only allow trained personnel to operate the appliance and wear protective equipment (e.g. safety boots, gloves).
- Only use with suitable forklift trucks that meet the necessary safety standards.
- Before use, ensure that the tipping container is properly connected to the forklift truck.
- When tipping, ensure that the danger zone is clear of people.
- Check the tilting process carefully, use the mounted operating rope correctly to avoid uncontrolled tilting.
- Maintain tipping containers regularly and check for defects, wear and safety mechanisms. Take out of service if damaged.
- Be aware of the risk of crushing and shearing injuries during handling.
- Intended for commercial use only, not suitable for private use.
