Article Numbers: 183495, 183494, 183493, 183492

Safety Instructions:

- Keep out of the reach of children.
- Only suitable for use in compatible printer models.
- Store safely and protect from moisture.
- Do not use near open flames or extreme temperatures. Do not store near fire or heat sources.
- Avoid contamination and only use clean materials.
- If necessary, use in a well-ventilated area to minimise contact with toner dust.
- Wear gloves when handling toner cartridges to avoid skin contact. Observe hand hygiene after handling.
- Do not get toner in eyes; in case of contact, rinse thoroughly with water and seek medical attention.
- Do not eat or inhale toner. If symptoms such as breathing difficulties occur, stop using the toner immediately and seek medical help.
- When disposing of the used toner cartridge, observe the local regulations for the disposal of electronic and printer products.
- Only store the delivery in the original packaging to ensure safety.
- Take care when handling, as toner cartridges can break if used incorrectly.
- Observe safe handling during installation and disposal of the cartridge. Observe the legal requirements for the disposal of consumables.
