Please note the technical data of the products!

Article Numbers: 170287, 170286, 170285

Safety Instructions:

- Use SanDisk SecureAccess software with 128-bit AES encryption to protect sensitive data.
- Do not use the product near liquids or immerse it in water to avoid water damage.
- Avoid using the product in humid environments and do not store it in extremely hot or cold environments to prevent damage to the electronics.
- Outdoor areas should be avoided as extreme temperatures can damage the product.
- The product should only be used with standard USB ports to avoid compatibility issues.
- Store the USB stick safely in a dry place.
- Keep the USB stick out of the reach of children to minimise the risk of swallowing.
- Clear instructions for using the product should be provided in easy-to-understand language.
- Use of the product is subject to the manufacturer's safety instructions.
