E-Mail: info@banholzerundwenz.de

Please note the technical data of the products!

Article Numbers: 96642, 96606, 96536, 151910, 151909, 151908, 151907, 151906, 151905, 151904, 151903, 151901, 152538, 152537, 152536, 152535

Safety Instructions:

- Not suitable for use by children under 3 years of age; choking hazard due to small parts.
- Protect against odour nuisance caused by vapours and chemical substances.
- Observe safety precautions when handling the belt to avoid injury; wear suitable gloves when handling sharp edges.
- Do not use or store the product near strong heat sources, open flames or high temperatures.
- To avoid entanglement and injury, ensure that the strap is not stored loose.
- Read the safety instructions carefully before use and check the product for damage.
- Properly dispose of packaging and tape remnants to avoid environmental risks.
- The tape should be stored in a cool, dry place; protect it from sunlight and moisture.
- The use of strapping can lead to injuries if it is handled improperly, especially in the event of rapid movements or overloading.
- Use protective gloves and suitable tools to avoid skin irritation and injuries.
- Separate safety precautions should be taken for certain applications, especially when strapping heavy loads.
