Safety Instructions:

- Make sure that the ashtray does not tip over due to wind or weather when used outdoors.
- Using the ashtray can be a fire hazard, so it should be checked regularly for overheating.
- Ensure that no flammable materials get near the ashtray.
- The ashtray should be emptied regularly to avoid overfilling and the risk of fire.
- Avoid direct skin contact with glowing ash or cigarette butts.
- The ashtray is not suitable for children; make sure it is in a safe location.
