Safety Instructions:

- Take care not to exceed the load capacity of the trolley to prevent it from tipping over.
- The trolley is not suitable for children under 3 years of age, as small parts can pose a choking hazard.
- Avoid using the trolley in damp or wet environments to prevent damage to the material.
- Please ensure that the laptop compartment is only used for the intended device size to avoid damage.
- Keep the trolley away from heat sources to avoid damaging the material.
