Safety Instructions:

- Product not suitable for children under 3 years of age due to choking hazard from small parts. Keep out of the reach of children.
- Offer suitable disposal and return of empty toner cartridges and follow the instructions for disposal in accordance with local regulations to minimise environmental risks.
- Observe protection against electrical hazards in the event of improper use and installation of the printer. Use in accordance with the manufacturer's instructions to ensure safety and effectiveness.
- Keep the toner cartridge away from children. The toner cartridge could cause printing or thermal damage if handled incorrectly. Ensure that any remaining toner is disposed of safely.
- Avoid contact with skin and eyes. Do not inhale the contents of the toner cartridges. In case of contact with skin or eyes, rinse thoroughly with water.
- Do not consume or swallow toner. Not suitable for direct contact with food.
- Dispose of packaging safely after use.
