Article Numbers: 24372, 24346, 24317

Safety Instructions:

- Not suitable for children: Contains small parts that can be swallowed by children.
- Risk of electric shock: Electronic parts can cause electric shocks if handled incorrectly.
- Use only according to instructions: Safety information and instructions for use must be observed.
- Safe installation required: Accurate installation necessary to avoid risks.
- Caution: The electronic lock is not a toy and must be kept away from children.
- Check regularly that the electronic lock is working properly.
- Avoid extreme temperatures or humidity to prevent damage to the sheet steel body. Do not store in places with extreme temperatures or humidity to avoid corrosion.
- Secure the key cabinet to prevent unauthorised access to the keys. Users and managers must keep their codes confidential to prevent unauthorised access.
- Set up securely and use fixing material to prevent tipping over.
- In the event of a power failure, the electronic lock may not work, so plan alternative access options.
