Safety Instructions:

- Not suitable for children under 3 years of age as small parts could be swallowed.
- Avoid using outdoors or in wet environments to prevent corrosion.
- Take care during installation; sharp edges can cause injuries.
- The door of the key box should not be forced open to avoid damaging the high-quality lock.
- During installation, ensure that the key box is securely fastened to the wall.
- Only use the product in its intended area of use and mount it correctly on the wall to prevent it from falling.
- Make sure that the key box is installed out of the reach of children.
- Ensure that a high-quality security lock is used to prevent unauthorised access.
- The lock should be checked regularly for functionality.
- Keep the product away from heat sources and naked flames.
