Safety Instructions:

- The safe should be fixed to a solid surface to prevent it from tipping over or being removed.
- Take care when handling heavy objects that could make the safe unstable. The product is heavy, make sure it is properly secured and anchored to prevent it from falling over.
- Only use the lock with the keys provided to avoid damaging the lock.
- Keep the product away from fire and extreme temperatures to avoid material deformation. Avoid prolonged exposure to extreme temperatures or moisture.
- Ensure regular maintenance of the lock and locking mechanisms to ensure smooth opening and closing.
- Do not use the product if there are any signs of damage.
- Safe use requires suitable installation; observe the enclosed installation instructions.
- Keep the keys to the high-security lock away from unauthorised persons.
- The product can cause serious injuries if handled incorrectly.
- Keep children and pets away from the product to minimise the risk of injury.
