Please note the technical data of the products!

**Article Numbers:** 26892, 26843

### Safety Instructions:

- The cabinet must be securely anchored in the room with the supplied anchorage to prevent it from toppling over.
- Sharp edges and heavy construction can cause injuries; take care when lifting.
- Ensure access to keys to prevent unauthorised access. Keep the cabinet closed when it is not in use.
- Do not overload; observe the maximum recommended load capacity to ensure the stability and safety of the cabinet.
- When using the lock, make sure that it functions properly to avoid safety risks. Regularly check the functions of the lock and the locking mechanism.
- Avoid placing the cabinet outdoors or in damp rooms.
- Be careful when using the key to avoid damaging the lock.
- Keep the keys in a safe place to prevent loss or theft.
