Article Numbers: 26965, 26896

Safety Instructions:

- Set up the cabinet securely and prevent it from tipping over with anchors.
- Handle the high-security lock correctly and seek professional help in the event of faults.
- Protect the cabinet from direct sunlight and moisture and keep it away from heat sources and extreme temperatures to prevent material damage.
- Keep the user documentation and check it regularly to ensure safe use.
- Keep children away as the product is heavy and potentially dangerous.
- Cabinet weighs 118 kg; use appropriate aids or support when lifting to avoid injury.
- Check that the cabinet is standing securely to prevent tipping.
- Use anchoring materials from the scope of delivery to anchor the cabinet securely to the floor.
- Pay attention to the stability and security of the lock; call a locksmith if the key is lost.
- Do not leave valuables unprotected in the cupboard to prevent theft.
