Article Numbers: 26969, 26916

Safety Instructions:

- Secure the cabinet to the wall or floor or anchor it properly to prevent it from toppling over.
- Distribute heavy inventory evenly and observe the maximum weight.
- Keep the key safe to prevent unauthorised access and only use it with the intended key; keep a spare key in a safe place.
- During use, ensure that no parts of the body can become trapped when opening the door.
- The product is heavy (weight: 230 kg); use suitable lifting and transport equipment to avoid injury.
- Ensure that the lock is working correctly; do not leave the product open if the lock is not working correctly.
- Carry out regular maintenance of the lock technology and locking mechanisms.
- Take into account the appropriate insurance cover class for commercial use.
- Take care when using and handling to avoid mechanical damage.
