Article Numbers: 26972, 26919

Safety Instructions:

- Observe safety precautions during installation, in particular the floor anchoring to prevent the cabinet from tipping over.
- Always close the lock properly to minimise the risk of unauthorised access.
- Before opening the cabinet, make sure that there are no people or objects in the way to avoid injury.
- Pay attention to the weight load of the shelves to prevent the cupboard from tipping over.
- Take special precautions during transport and delivery to avoid injury.
- Take care when using the cabinet to avoid injuries caused by heavy lifting and moving.
- Only suitable for the storage of valuables that are covered by the insurance classification.
- Use of the cabinet by children is not recommended as it is heavy and may contain potentially dangerous objects.
