Please note the technical data of the products!

**Article Numbers:** 77311, 77310

### Safety Instructions:

- Do not exceed the maximum load capacity: 2300 kg, reduced load capacity 2000 kg. Avoid overloading the pallet truck.
- Only use the pallet truck on stable, level surfaces to avoid the risk of it tipping over.
- Avoid direct sunlight on the polyurethane rollers to prevent discolouration and material failure.
- Ensure correct use and regular maintenance of the grease nipples to guarantee the service life and functionality of the product.
- Observe the operating conditions in accordance with the manufacturer's recommendations.
- Make sure that there are no people under the lifted load.
- Wear suitable personal protective equipment when handling heavy loads.
- Training in the safe use of the appliance is recommended to avoid the risk of injury from improper handling.
