Safety Instructions:

- Regularly check the contents of the first aid kit to ensure that it is complete and that it has an expiry date.
- Do not use for the treatment of serious injuries or as a substitute for medical care.
- Store the first aid kit in a cool, dry place, out of the reach of children.
- Make sure that the first aid instructions are clear and understandable.
- The use of sharp objects (e.g. first aid scissors) should be supervised by adults.
- Dispose of expired or damaged materials in an environmentally friendly manner.
