Article Numbers: 825111, 825108, 300720

Safety Instructions:

- Observe the maximum load of 400 kg per 10 cm. Avoid driving over with heavy equipment that exceeds this limit.
- Do not use as a ramp or when moving vehicles.
- Risk of suffocation due to improper handling or storage of small parts. Safety and assembly instructions must be read carefully and followed.
- Risk of slipping if inadequately secured or on slippery surfaces. Avoid driving over the cable bridge with heavy equipment.
- Risk of injury if used incorrectly or if escape routes are blocked. Take care to avoid tripping hazards by positioning the cable bridge correctly.
- Not suitable for outdoor use as the uncoated material may be exposed to the weather.
- Ensure regular inspection of the cable bridge for damage or wear.
