Safety Instructions:

- Do not use near naked flames or heat sources. Do not use on hot surfaces to avoid the risk of fire.
- In the event of contact with solvents or chemical substances, discontinue use of the product and ensure that no hazardous residues are present. Before using when working with chemicals, ensure that the cloths are suitable for this purpose.
- Keep out of the reach of children to avoid accidental use.
- Attention: Sontara wipes are not suitable for direct contact with food.
- Do not use for cleaning electrical appliances as there is a risk of electric shock.
- When using the product, ensure that no sharp objects are used to avoid damaging the product.
- The wipes are reusable, but not suitable for industrial washing machines.
- Pay careful attention to the disposal regulations for used wipes in order to minimise environmental risks.
