Safety Instructions:

- Product information should be provided in easily understandable language.
- Before using Sontara EC wipes in food areas, carry out tests for compatibility with food.
- Place products on the market in accordance with the General Product Safety Regulation.
- Observe precautionary measures when handling solvents to avoid skin and respiratory tract irritation.
- Ensure product traceability in order to be able to react quickly in the event of recalls or safety warnings.
- Do not use Sontara EC wipes with flammable liquids.
- Not recommended for highly aggressive chemical substances due to limited solvent resistance.
- Do not use for food packaging unless specifically stated.
- Keep wipes out of the reach of children to prevent suffocation.
- Avoid overheating the product to prevent impairment of the physical properties.
