Safety Instructions:

- Avoid contact with naked flames or hot surfaces as the binder is made of plastic and can melt or burn.
- Store the visual binder in a cool, dry place and protect it from moisture and extreme temperatures to prevent damage.
- Avoid using sharp objects on the surface to prevent cracks or damage.
- Keep the product out of the reach of children, especially under the age of 3, to avoid the risk of choking on small parts.
- Only use the loose-leaf binder for its intended purpose in order to avoid deformation and adhesion problems.
- Make sure that the view stapler is not placed near water sources to prevent damage from water.
- Protect the inside pockets from direct sunlight to avoid discolouration or material damage.
- Not suitable for children under 3 years of age as it may contain small parts that pose a choking hazard.
