Article Numbers: 183548, 183547, 183546, 183545

Safety Instructions:

- Observe the safety information in the instructions before using the product.
- Keep the ink cartridge away from children to avoid the risk of choking or swallowing.
- Avoid contact of the ink with skin and eyes. In the event of contact, rinse thoroughly with water immediately and consult a doctor if necessary.
- Only use the ink cartridge in compatible Brother printers to prevent damage to the device.
- Make sure that the cartridge is properly installed in the printer to avoid leaks and do not use it in devices from other manufacturers.
- Store and transport the cartridge safely to prevent damage.
- Do not bring into contact with liquids or apply excessive pressure to prevent ink leakage.
- Do not disassemble the ink cartridge or handle it improperly.
- Dispose of empty ink cartridges in accordance with local regulations for electronic waste in order to minimise environmental risks.
