Article Number: 190840

Safety Instructions:

- Make sure that the cabinet is in a stable position to prevent it from toppling over.
- Avoid opening several drawers at the same time to minimise the risk of them tipping over.
- Do not load the cabinet above the recommended maximum load per drawer (55 kg).
- Only use the keys supplied for the central locking system.
- Small children should be kept away from the cabinet and folders to avoid injury.
