Please note the technical data of the products!

Article Numbers: 43617, 43602, 191671, 191670, 191669

Safety Instructions:

- Do not use the mat near open flames or hot surfaces to avoid the risk of fire.
- There is a risk of slipping when used in a damp environment; avoid accumulation of water on the surface and ensure that the mat is placed on a clean, dry surface.
- Keep out of the reach of children to avoid the risk of choking on small parts.
- Check the mat regularly for damage to minimise the risk of injury.
- Not suitable for extreme temperatures or direct sunlight to avoid material damage.
- Ensure slip resistance on hard and carpeted floors by ensuring anchor studs are correctly installed and clean.
- Suitable for commercial and private use; regular checks for wear or damage during intensive use.
- Not suitable for outdoor use.
- The mat contains no harmful substances such as BPA, lead, tin or cadmium and is phthalate-free, making it safe for living and working spaces.
- Make sure that the mat does not come into contact with sharp objects to avoid damage.
- For safe handling of the mat, standard chair castors should be used to minimise rolling resistance.
- Dispose of the mat in accordance with local recycling and waste regulations.
