Article Numbers: 90744, 90729, 90728, 90727, 90726, 90725, 90724, 90723

Safety Instructions:

- Can only be used in combination with the TP tables.
- Height adjustment from 650 to 900 mm can lead to injuries if handled incorrectly.
- Observe the maximum load capacity of 150 kg to avoid overloading and the risk of breakage.
- Before use, ensure that the installation has been carried out correctly.
- Ensure that the table is stable on a level surface before working on it.
- Regularly check the height adjustment for proper functioning.
