Safety Instructions:

- Use the car parking post in consideration of the weather conditions, as extreme weather conditions could affect stability.
- During installation, ensure that the stone plugs are securely fastened to prevent injuries from falling over or wobbling. We recommend using the stone plugs supplied.
- The security lock should be checked and maintained regularly to prevent theft. Replace if necessary if damaged.
- When using the post, ensure that it is not set up in the traffic area to avoid collisions.
- The car parking post is not suitable for children; there is a risk of suffocation from small parts.
- Ensure that the car parking post is stable and securely anchored in the ground.
- Take care when handling the post to avoid crushing injuries.
- The product may reflect light, so be careful in direct sunlight.
