Safety Instructions:

- The LED lamps in the luminaire are not replaceable; if they fail, the entire product must be replaced.
- Only use the light with the intended switch and socket connection in accordance with the manufacturer's instructions.
- Keep the product out of the reach of children and do not use it for children under 3 years of age due to the risk of choking on small parts.
- Do not block the outlet of the light to avoid overheating.
- The light is not suitable for use outdoors or in damp rooms.
- Avoid working on the light while it is energised; there is a risk of electric shock if it is used improperly, especially if the cable or switch is damaged.
- Do not place the light in water or other liquids.
