Article Numbers: 34583, 34582

Safety Instructions:

- Store safely: Only suitable for water-polluting and flammable liquids.
- Protect from fire and ignition sources.
- Maintain a ground clearance of 100 mm for forklift transport.
- Suitable for 4 x 200 litre drums, prevent overfilling.
- Galvanised finish provides additional rust protection.
- Observe the safety instructions for forklift transport.
- Ensure correct positioning of the drums in the drip tray to prevent overflow.
- Regular checks for leaks are necessary.
- Use protection when handling the liquids in accordance with the safety data sheets (SDS).
