Safety Instructions:

- The tarpaulin may have sharp edges, please handle with care.
- Keep the tarpaulin away from naked flames and other sources of heat, as the material could be flammable.
- The tarpaulin must not be used if it is damaged or defective.
- Do not exert excessive pressure or weight on the tarpaulin to avoid tearing.
- Do not use this product as a toy and keep it out of the reach of children.
- The tarpaulin can tear or be damaged if used incorrectly.
- Ensure that the tarpaulin covers areas protected from UV radiation to prevent material fatigue.
- When using outdoors, ensure that the cover is securely fastened to prevent injury in the event of storms or wind.
- Contact with chemical substances can damage the tarpaulin. Check before use on chemically treated surfaces.
