### Safety Instructions:

- Do not use around open flames and keep away from open flames or other sources of ignition.
- Do not leave unsupervised by children.
- When using outdoors, ensure that the tarpaulin is properly secured to prevent it from flying away.
- Not suitable for covering foodstuffs.
- Do not use the tarpaulin as protective equipment.
- Check thoroughly before use to avoid possible damage and check regularly for holes or cracks.
- Take care in strong sunlight: UV rays can damage the tarpaulin in the long term.
- Avoid contact with sharp objects so as not to impair the tear resistance of the tarpaulin.
- Dispose of the tarpaulin properly to avoid environmental damage, as it is not biodegradable.
