Bischoffen-Oberweidbach, Deutschland
E-Mail: info@biogreen.de

Please note the technical data of the products!

Article Numbers: 74991, 74979

Safety Instructions:

- Do not use the product near open flames as it is made of plastic and is highly flammable.
- The tarpaulin should not be exposed to direct UV radiation for long periods of time to prevent premature wear.
- Not suitable for the protection of humans or animals as it does not fulfil safety standards for such applications.
- Use only on stable surfaces and not as a play area safety device for children or pets.
- The tarpaulin can be difficult to handle due to its size and flexibility, so take appropriate safety precautions when using it.
- Do not bring into contact with sharp objects to avoid cracks or holes.
- Store the tarpaulin in a dry place to avoid mould and moisture.
- The tarpaulin should be folded neatly and stored safely when not in use.
