Article Numbers: 46870, 46869, 46868, 46867, 46866

Safety Instructions:

- Do not use naked flames near the product.
- Avoid the risk of slipping, especially on wet surfaces.
- Clean regularly when used in the swimming pool to maintain slip resistance.
- Keep out of the reach of children to minimise the risk of falling.
- Not suitable for extreme temperatures and aggressive chemicals.
- Only use in designated areas (e.g. garages, terraces, swimming pools).
- Replace discs immediately if lost or damaged.
- Attach warnings in accordance with the Product Safety Regulation.
- Small parts can pose a choking hazard.
- Always ensure slip-resistant installation.
- Heavy weight can cause serious injuries (up to 65,000 kg/sqm).
- Ensure that the floor grille is installed on a level surface.
- If used outdoors, check regularly for damage.
- Cushioning underlay can increase comfort when standing.
- Children should be supervised when playing to prevent falls.
- Use plates on non-slip surfaces to avoid accidents.
- Do not use panels in areas with constantly standing water.
- Use suitable tools for assembly and disassembly.
- Do not leave children unattended near the plates.
