Safety Instructions:

- Ensure that the mat remains non-slip when wet. Be aware of the risk of slipping on wet or dirty surfaces.
- The mat can be cleaned, but without abrasive cleaning agents; regular cleaning is recommended to prevent the accumulation of liquids and to ensure slip resistance.
- Adjustments should be made correctly and securely to avoid slippage.
- Use of the mat should be supervised when children or vulnerable people are in the vicinity.
- Use non-slip shoes as a protective measure.
- Injuries are possible if used incorrectly.
- Not intended for use in areas that require heavy chemical exposure. Not suitable for permanent use in areas with high chemical exposure.
- Only use on level surfaces to avoid tripping hazards.
