Safety Instructions:

- Caution in wet conditions, slippery. Ensure that the runner is used on a stable and non-slip surface to avoid the risk of falling.
- Keep the runner away from sharp objects to prevent damage.
- Avoid excessive heat, direct sunlight or contact with naked flames to minimise the risk of fire.
- The runner is not suitable for outdoor use. The product is intended for indoor use only. If used outdoors, the integrity of the material may be impaired.
- Regular cleaning recommended to ensure slip resistance. Cleaning and maintenance in high-traffic areas are particularly important to ensure safety and durability.
- Under heavy loads and in damp areas, check regularly for wear or damage to minimise safety risks.
- Clearly understandable instructions must be included for the safety of users.
- Ensuring safe use on cold floors.
