Please note the technical data of the products!

**Article Numbers:** 151458, 151452, 151446, 151440

### Safety Instructions:

- Suitable for high-traffic areas and standing workstations.
- Use a non-slip surface to avoid the risk of falling.
- When using in wet areas, make sure to wear suitable footwear and ensure that slip resistance is guaranteed in wet conditions.
- Check the runner regularly for damage and wear and replace if necessary.
- The black/yellow version is used to mark danger points; use additional warning signs if required.
- Ensure that the runner is not soiled or damaged to avoid the risk of slipping. The runner should be used on a clean and dry surface.
- Make sure that the runner is suitable for use on damp floors and does not pose any health risks.
- Risk of slipping when used on smooth floors.
- Not suitable for use as personal protective equipment.
- In the event of damage, the relevant authorities must be informed immediately.
- Not intended for outdoor use to avoid UV damage.
- Take particular care when using in high traffic areas; additional mats or floor coverings may be required.
