Article Numbers: 151739, 151738, 151737, 151736, 151735, 151734, 151731, 151728

Safety Instructions:

- Caution: Risk of slipping on smooth surfaces. The mat is non-slip, but should be used on a clean and dry surface. Ensure that the mat is used on a non-slip surface.
- Not suitable for outdoor use. The mat is suitable for indoor and outdoor use, but not for extremely cold or hot temperatures.
- Please check the mat regularly for signs of wear. Do not use if there is visible damage or cracks. Check regularly for wear or damage.
- If used on floors with a high level of moisture, ensure that the mat can dry well. Ensure good air circulation during drying to prevent mould growth.
- Do not use for children without supervision. Keep out of reach of children.
- Do not overheat in the tumble dryer to avoid damaging the material. Avoid overheating the mat, it is suitable for use at temperatures up to 60°C in the washing machine.
- Avoid exposing the product to direct sunlight to prevent discolouration. To ensure the longevity of the colours, avoid direct sunlight for long periods of time.
- Be careful with heavy use; clean regularly to prolong the service life. Regular cleaning at 60°C to ensure hygiene.
- Do not use near naked flames. Avoid direct contact with hot objects or naked flames.
- Do not use harsh chemicals when cleaning. Follow the care instructions before washing.
- Only use the mat for the intended applications. Keep suitable for use on non-slip surfaces.
