Please note the technical data of the products!

**Article Numbers:** 46819, 46818, 46817, 46816, 46814, 46813, 46812, 46811, 46809, 46808, 46807, 46806, 46804, 46803, 46802, 46801, 45958, 45957, 45956, 45955, 45952, 45951, 45950, 45947, 45946, 45699, 45698, 45697

### Safety Instructions:

- Clean the mat regularly to avoid the risk of slipping and dirt accumulation.
- Use suitable cleaning agents to prevent material damage and avoid dirt accumulation.
- Do not use the mat on wet or slippery surfaces to minimise the risk of falling.
- Protect from direct sunlight to prevent colour and material changes.
- Not suitable for outdoor use as it is not weather or UV resistant.
- Do not use in damp environments to avoid mould growth.
- Keep away from naked flames and high temperatures to prevent material damage.
- Before use, ensure that the mat is placed on a dry, level and clean surface to avoid the risk of slipping.
- Check mats regularly for wear and damage and replace if necessary.
- Do not use near naked flames.
- The mat must not be left in direct sunlight for long periods of time in order to avoid material changes.
- Do not use aggressive or abrasive cleaning agents to protect the integrity of the material.
- Regular cleaning and correct installation recommended to ensure functionality and reduce the risk of tripping.
- Product only suitable for indoor use.
- Keep away from children.
