### Safety Instructions:

- Make sure that the doors of the clothes locker are always fully closed to avoid injury.
- Regularly check the condition of the twist lock to ensure safe use and prevent accidental opening.
- To avoid damage or injury, do not store heavy objects in excess of the maximum load capacity of the locker.
- Small children should be excluded from using the locker to avoid risks such as trapping body parts.
- Check the inner shelves and brackets regularly for loose parts that could cause injury.
- Be aware of the risk of suffocation from small parts inside the cupboard.
- There is a risk of collapse in the event of incorrect assembly or overloading.
- Observe safety precautions when locking a padlock.
- Child safety aspects: The product is not suitable for children under 3 years of age.
