Safety Instructions:

- The clothes locker must be placed on a stable surface to prevent it from tipping over.
- Make sure that the twist lock works correctly to prevent unauthorised access.
- Avoid placing heavy objects on the upper compartments so as not to disturb the balance of the locker.
- Sharp or pointed objects should be avoided to prevent injury.
- The ventilation slots must not be blocked to ensure adequate ventilation.
- Not suitable for children under 3 years due to choking hazard from small parts.
- Mount and secure correctly to avoid the risk of falling.
- Avoid contact with moisture to prevent rust formation on metal parts.
- Only use suitable padlocks (shackle thicknesses of 5 - 7 mm) to avoid damaging the rotary bolt lock.
- The clothes locker is only suitable for indoor use, avoid using it outdoors or in damp areas.
