Safety Instructions:

- Ensure that the holder is mounted stably and securely on the wall to prevent it from toppling or falling.
- Avoid placing or stacking heavy objects on top to minimise the risk of tipping and structural damage.
- Ensure that the bracket is installed out of the reach of children and keep small children away as the product is not a toy.
- Follow the manufacturer's instructions carefully during installation and make sure that the screws are inserted correctly to ensure secure installation.
- Note on sharp edges when handling the product; nevertheless handle impact-resistant material with care.
- Avoid installation near sources of fire or in places with high humidity, as well as in direct sunlight, in order to prevent damage.
- Use under a secure mounting bracket is recommended to ensure accessibility.
- Secure mounting at eye level to ensure easy access.
- Regularly check the stability and integrity of the holder.
- Only use the product in accordance with the intended installation and usage instructions.
