Safety Instructions:

- Caution: Risk of injury from moving parts of the machine.
- Ensure that the appliance is standing on a stable and level surface to prevent it from tipping over.
- Wear safety goggles to avoid eye injuries from falling objects.
- Wear gloves to prevent cuts when handling the strapping.
- Child safety lock: The machine should be placed out of the reach of children.
- The operator should read the operating instructions carefully and only use the machine as intended.
