Please note the technical data of the products!

Article Numbers: 163334, 163333

Safety Instructions:

- The labels must not be used on the skin or near open wounds.
- Make sure that the surfaces are clean and dry before application.
- Not suitable for direct contact with food. Do not use on food or equivalent surfaces as the product is not designed for this purpose.
- Use on non-porous and smooth surfaces to ensure optimum adhesion.
- When using on damp or oily surfaces, careful application is advised to ensure that the labels adhere properly.
- Not suitable for children; supervise children during use and ensure that they do not put the labels in their mouths.
- Do not use the labels beyond their recommended area of application to avoid insufficient adhesion or other problems.
