Safety Instructions:

- Use the product in accordance with the applicable safety requirements.
- Avoid overloading the brochure holder with materials above the specified maximum to prevent it from breaking or bending.
- Keep the product area clear of obstacles to minimise the risk of tripping.
- If the product is damaged or has noticeable defects, stop using it immediately and contact the manufacturer.
- Make sure that the brochure stand is stable to prevent it from falling over.
- The brochure stand should be used in dry indoor areas and kept away from sources of heat and moisture.
- Ensure that there are no sharp or pointed objects in the shelves to avoid injury.
