Safety Instructions:

- Choking hazard for small children due to small parts: Please keep away from children under 3 years of age.
- The product should not be used near water as it is not waterproof and contact with water could damage the materials.
- Please do not use the product if it is visibly damaged.
- The product must be kept out of the reach of children when not in use to avoid injury.
- The handle tabs and content labels should be securely fastened to prevent them from falling and potentially causing injury.
- No electrical components, therefore no risk of electric shock.
- Please ensure that the folder is stable to prevent it from falling over.
- Use only for the intended purpose; do not overload.
- The desk folder should not be stored near open flames or high temperatures, as this can lead to a fire hazard.
- If used incorrectly, the very flexible back can cause the product to overstretch and possibly cause injury.
