Safety Instructions:

- Watch out for small parts that can cause a choking hazard if the product is used by small children.
- The product should be protected from moisture to prevent damage to the film and the possibility of injury from sharp edges.
- Avoid excessive strain on the transparent pockets, as this can lead to tears or breakages.
- Consumers should be made aware that the film can tear if handled incorrectly.
- Keep the product away from heat sources to preserve the structural integrity of the film.
