Safety Instructions:

- Not suitable for children under 3 years of age due to small parts. Keep out of the reach of children to avoid the risk of suffocation.
- Carry out a skin compatibility test before using the ink, as sensitive skin may react. Inform the manufacturer about the ingredients before direct skin contact. Use the ink in well ventilated areas to avoid excessive inhalation of vapours. May irritate eyes and skin; in case of contact with eyes or skin, rinse immediately with plenty of water and seek medical attention.
- Do not get on skin or in eyes. Avoid contact with eyes and skin; in case of contact, rinse thoroughly with water. In case of skin contact, wash off immediately with soap and water.
- Protect from heat sources. Store in a cool, dry place to preserve the quality of the ink.
- The ink dries quickly and is smudge-proof and waterproof, but is not suitable for contact with food.
- Do not swallow. Do not inhale or drink the ink. If you feel unwell, seek medical advice immediately.
- Shake well before use and replace the cap after use to protect the tip and ink from drying out.
