Safety Instructions:

- Use the castors to move the mobile container and avoid lifting without support.
- Check the central locking system regularly to ensure that it is working properly and to prevent unauthorised access.
- Take care not to load the drawers beyond the maximum load of 15 kg.
- Keep the product away from heat sources and moisture to prevent material damage.
- Child safety: Not suitable for children under 3 years of age as there is a choking hazard due to small parts. Keep the tilt spanner out of the reach of children.
- Use the castor brakes to prevent the container from rolling away and ensure that the castors can be moved.
- Keep the mobile pedestal on a level surface to ensure stability and prevent tipping.
- The mobile pedestal should not be pushed over uneven or steep surfaces.
- Assembly must be carried out in accordance with the enclosed instructions to ensure stability and safety.
- Regular checks for stability and wear of the product are necessary.
