Safety Instructions:

- Not suitable for children under 3 years of age, as small parts can pose a choking hazard.
- Make sure that the mobile pedestal is placed on a stable and level surface to prevent it from tipping over.
- The maximum load capacity of the drawer is 15 kg. Do not overload the drawers to avoid injury from overloading.
- Follow the installation instructions carefully to ensure the safety of the product.
- Avoid direct contact with water and aggressive cleaning agents to protect the product.
- Ensure that castors are locked in place during static stops to prevent unintentional rolling away.
- Pay attention to finger and body parts when closing the drawers.
- Check all parts for damage before first use.
- Children should not play with the mobile container to avoid possible injury.
- The lock should be serviced regularly to ensure proper functioning.
- Beware of sharp edges, as these can cause injuries.
- Consumers should be advised to pay particular attention to stability when fully loaded.
